STRAIN TALK

Dutch Treat

80% Indica / 20% Sativa

THC 21.4% CBD 0.3%

Dutch Treat is an extremely potent and psychedelic strain originating in British Columbia. It has a sweet piney smell, and a strong lemon-lime candy flavor. The smoke produced by Dutch Treat is thick, yet exceptionally smooth. Its effects are characterized by a powerful and immediate head high, accompanied by a relaxed body and uplifted spirits. The medicinal qualities of this strain are ideal for relief from stress, depression, insomnia, headaches, ADD/ADHD and anxiety.

EDIBLE OF THE MONTH

Mad Mac

\$10 ea. (2-3 doses)

Medicated white chocolate macadamia nut cookie.

RECIPE OF THE MONTH

Winter CannaSangria

Ingredients

- 2 cups no-pulp orange juice
- 3 to 6 ounces orange liqueur
- 2 Tablespoons OrganicCann Power Honey
- 1 cinnamon stick
- 2 clementines or blood oranges, cut into sections
- 1 Granny Smith or other tart apple, cut into 1/4-inch cubes
- 1 red Anjou pear, peeled and cut into 1/4-inch cubes
- 2 liters sweet sparkling red wine, chilled
- 1 liter lemon-lime soda, chilled

Directions

In a large pitcher or punch bowl, whisk the orange juice, orange liqueur and OrganicCann Power Honey. Add the cinnamon stick, clementines, apple and pear and stir to combine. Set aside at room temperature for at least 1 hour. Right before serving, add the wine and soda to the fruit mixture and stir gently to combine. Serve immediately in ice-filled glasses.

\$5 PER SAMPLE • 6 SAMPLES FOR \$25
CUTTINGS AVAILABLE DIRECT FROM THE CULTIVATORS

ORGANICANN MEMBERS ONLY.

Repeal Cannabis Prohibition Act of 2012
 The Repeal Cannabis Prohibition Act (RCPA) would allow adults to legally possess up to three pounds of cannabis and cultivate a ten-by-ten-foot garden. It puts the California Department of Public Health in charge of administering the commercial side.

The RCPA would...

- **REPEAL** all criminal prohibitions and punishments on cannabis related conduct for adults 19 years of age or older (Age 19 keeps it out of High School, and still sends the message that it's safer than alcohol.)
- **MAINTAIN** medical rights for patients under Prop 215 and SB420
- **MANDATE** strict rules against unlawful distribution to or by minors (under 19 years of age), and against driving while impaired.

CULTIVATING WISDOM™

301 East Todd Road, Santa Rosa
 1295 University Avenue, San Diego

We offer a large selection of the cleanest and most sustainable cultivation products available.

FREE Cultivating Seminars offered 3rd Saturday of Every Month from 11am-1pm at our Santa Rosa location.

JANUARY CULTIVATING TIP Start Seed Shopping

Start seedlings indoors at the end of January or early February to allow ample time to sex and harden off the plants. Seedlings will need at least 14 hours of light per day until they are transplanted outdoors. Florescent, T-5 lights are recommended as they are more energy efficient and do not get too hot for the sensitive new plants.

CULTIVATING MUST-HAVES

Gorilla Grow & Dino Grow

Dino Grow™ - Made from 300 million year old minerals and mined from the remnants of Prehistoric Swamps.

Gorilla Grow™ - Mycelium has been a key cornerstone of the ecosystem spread throughout the forests and fields of our planet. Gorilla Grow is an approved Organic Input.
