DAILY HOURS:

Mon.-Fri., 10am-6:45pm
Sat.-Sun., 10am-4:45pm

STRAIN TALK Headband

A cross of OG Kush, Master Kush and Sour Diesel. The effects are considered intense and are recognizable through each strain that compiles this brilliant cross. Starting in your knees and thighs, you will feel an intense body effect from the Master

420magazine.com

Kush followed by the numbing lows of OG Kush and ending with an uplifting mind thrust of a nice, strong Diesel. The taste is out of this world offering pungent hash, diesel and kush flavors. The strain is very potent and psychoactive. It provides an uplifting physical and spiritual awareness for those who suffer from PTSD or ADD. Also, it provides relief for migraines, nausea and appetite for cancer patients. This Indica dominant plant grows vigorously in many conditions, indoors or out.

New & Improved Compost Tea Recipe

We recently took on a new employee whose passion for plants and soil has made him a successful and locally-known genius. He has finessed our original recipe, which was great, but is now even better!

Why do plants love it?

Compost tea creates a micro-ecosystem within the root zone, which forms a symbiotic relationship with the plant, increasing nutrient uptake thus increasing health and vigor. This special concoction of beneficial microorganisms boosts the immune system and acts as a defense shield against problematic bacteria and fungi.

Brewed fresh every week at our Santa Rosa, Sausalito, and San Diego locations!

Edible of the Month Peanut Brittle

INGREDIENTS:
Cashews, peanuts, sugar, corn syrup, pure vanilla extract, salt, baking soda, and canna-butter.

Recipe of the Month Easter Bunny Carrot Cake

INGREDIENTS:

6 cups grated carrots	1 cup pineapple, crushed and drained
1 cup brown sugar	3 cups whole wheat flour
1 cup raisins	1 ½ teaspoons baking soda
4 eggs	1 teaspoon salt
1 ½ cups white sugar	4 teaspoons ground cinnamon
1 cup softened canna-butter	1 cup chopped walnuts
2 teaspoons vanilla extract	

PREPARATION:

- In a medium bowl, combine grated carrots and brown sugar. Set aside for 60 minutes, then stir in raisins.
- Preheat oven to 350°F (175°C). Grease and flour two 10" cake pans.
- In a large bowl, beat eggs until light. Gradually beat in the white sugar, canna-butter and vanilla. Gently stir in the pineapple.
- Combine the flour, baking soda, salt and cinnamon in a separate bowl, then stir into the wet mixture until absorbed.
- Finally stir in the carrot mixture and the walnuts. Pour evenly into the prepared pans.
- Bake 45-50 minutes until an inserted toothpick comes out clean and dry. Cool for 10 minutes before removing from pan. When completely cooled, frost with cream cheese frosting.

CULTIVATING WISDOM

Two locations — Santa Rosa & Sausalito

301 E. Todd Road, Suite B, Santa Rosa, CA

491 Gate 5 Road, Sausalito, CA

Cultivating Wisdom Seminars

April 10th: Discussion Panel

Bring growing and legal questions to ask our experts.

April 24th: Pot Theory With 23

Our on-site grow expert shares theories and methods.

OrganiCann Collective, 11am-1pm

April Cultivating Tips:

Enhance your roots with mycorrhizae and boost nutrient uptake with humic acids.

We offer a large selection of the cleanest and most sustainable cultivation products available at both locations. Books, vaporizers, equipment and supplies for all your medicating needs are available in our Sausalito location.

Now featuring seminars every other Saturday from 11am-1pm at our Santa Rosa location.

Southern California Location! Hillcrest Organics

1295 University Ave., San Diego

Featuring OrganiCann premium cannabis and Cultivating Wisdom sustainable gardening supplies.

Cultivating Wisdom's Must-Haves!

The Cannabis Grow Bible by Greg Green:

A new and improved edition offering methods for growers who want to maximize the yield and potency of their crop. Featuring the popular "Sea of Green" technique that promotes a higher yield using fewer plants. This book ensures that growers will produce a successful harvest.

Roots Organics Soil:

This all-natural and organic potting soil is very comparable to any high-end soil with amendments. There are 2 different mixes available at our locations: *Original* (1.5 cubic ft.) and *707 Formula* (3 cubic ft.). The new *707 Formula* retains water even better with less pumice and perlite. *Roots Organics* soil is pH balanced and ready to use for all stages of growth, some even utilize the product as a grow bag.

Sunleaves

Three-Way Meter:

Conveniently measure moisture, light, and pH levels with this durable, easy-to-read three-way soil meter. This meter is suitable for use indoors or out. No batteries required.

TIP OF THE MONTH

Update on New Bill to Legalize Paraphernalia

MARCH 24 — AB 1811 was passed by the Assembly Public Safety committee on March 23rd and will now go to the Assembly floor. California's NORML director Dale Gieringer testified in favor of the bill at the hearing.

MARCH 10 — A bill to legalize medical marijuana paraphernalia has been introduced by Assemblyman Tom Amiano (D-SF). The bill, AB1811, modifies the existing drug paraphernalia law to exempt items designed or marketed for lawful purposes, notably medical use of marijuana.

AB1811 would protect both patients and vendors from bogus arrests, which continue to be reported despite passage of Prop. 215. "It makes no sense to allow medical marijuana while criminalizing the means to use it," stated California NORML in a letter endorsing AB1811.

Among the useful items that would no longer be illegal under AB1811:

- equipment for testing and analyzing medical marijuana
- inhalation devices including water pipes
- bongs and electric pipes
- cultivation equipment
- processing and packaging equipment including scales and balances, sifters
- containers and packages
- mixing bowls, spoons and other equipment for preparing edibles and extracts

Most of these items are presently sold under the pretense that they are for other uses like tobacco or growing tomatoes. Under AB1811, vendors would be free to inform customers about their proper use, as well as to provide relevant consumer information and health literature on medical marijuana.
